# Fashioning

# Commonality

1. A pure heuristic:  
Infinities of worlds  
pertain here and now  
remotely.

2. We cannot know an objective God, nor any possible world.

3. Gaps in rigor  
swallow us whole.

4. Worlds bare  
epistemic imperfections.

## 5. Commonality

clothes.

6. Sufferings trumpet  
imperfect logics.

7. Sin shades perfectly  
inconceivable worlds.
